ABOUT US

Pondsco Facility Services is a family owned company with a proven track record of providing quality building services nationwide. For almost a quarter century many of the largest and most prestigious real estate investment, development, and management companies have chosen Pondsco for their janitorial and general maintenance needs. Our leadership team includes trained professionals experienced in all aspects of cleaning and maintenance.

HOW WE DO BUSINESS

Pondsco specializes in site-specific programs that are reliable, consistent and efficient. We man our job sites with a well-trained workforce, equip them with the latest equipment and supplies, then support them with a "hands-on" regional and corporate staff. We believe in a systematic process that includes set standards, objective performance evaluation, thorough communication and relentless follow-up.

OUR CORE VALUES

We are committed to delivering the highest level of service possible. Our goal is always to partner with the customer in a team effort to benefit the property and enhance its value. We take great pride in value added service.

We are only as good as our employees. Pondsco strives to hire and retain the most qualified individuals and provide them a safe work environment. Our wages and benefits are exceptional for the industry, and we are an equal opportunity employer. We treat every employee with respect and provide them with a clear path for career advancement.

Creating value by exceeding the customer's standards and expectations at a competitive price.
